

CU*Answers Makes It Possible for All Credit Unions to *Go Mobile!*

Having a mobile app available from app stores has become an important piece of the growth strategy for credit unions. Some people will find the convenience of mobile banking a requirement for membership. CU*Answers makes it easy to launch your mobile service offerings.

With the CU*Answers mobile app, members have access to:

Mobile Banking

**Mobile check deposit
(RDC)**

Card Control

eStatements

And More!

Give your members easy access to their credit union without visiting the branch to access their funds, easily deposit a check, make transfers and so much more. Here is what you need to get started:

- ✓ **CU*Answers Mobile App**
- ✓ **Remote Deposit Capture – RDC**
- ✓ **Remote Deposit Capture Posting Service – RDC IQ**

CU*Answers works hard for you by offering special pricing for the RDC components.
