

HELP YOUR MEMBERS GET **PRE-APPROVED**
FOR THE VEHICLE OF THEIR DREAMS BY THE FINANCIAL
INSTITUTION THEY KNOW AND LOVE WITH

1 CLICK

UNFUNDED

Offer sent out via **online and mobile banking**

Instead of automatically opening the loan account and disbursing the funds, the offer will **generate a pre-approval letter** (provided by the credit union) that the member can then take to the dealership for purchase negotiation

Once the credit union receives the completed paperwork from the dealership, the credit union employee will edit the application to match the closing documents, **book the loan, and send the funds to the dealership as usual**
