

m MessagePay

A quick and convenient way to make loan payments! With MessagePay, members can receive payment reminders via text message and subsequently pay you back with their preferred mobile device.

Convenience At Your Fingertips!

The Where

Includes an online, mobile optimized member-facing portal. MessagePay provides your financial institution with a complete solution for accepting payments via a simple text message! You can also link the payment portal for member convenience on your credit union's website.

The Why

- Allow members to easily make loan payments anywhere
- Actively decrease delinquency
- White Labeled: Communicate with your members using your credit union's branding!
- Make it easier for members to pay you!

The Magic Of Digital Payments!

The What

Payment methods allowed include ACH, and debit cards. You can send your customers payment reminders via text message. They can pay you back directly from the text.

Easy Pay Anywhere!

- **Real-time payment posting available!**
- **Embed a payment portal link within It's Me 247 Online Banking with CU Publisher!**
